

Principal Update

Hi ICS Families,

I'm thrilled we ended this year with many of our students back in classrooms, and others able to join from home. We were able to say goodbye to the Class of 2021 during an in-person graduation ceremony at T-Mobile Park! I'm extremely proud of our school community. ICS teachers and staff never wavered on their commitment to student success. ICS students were model remote students! We are all proud of their engagement and perseverance. Thank you, parents, for your support and partnership – we couldn't have made it through the year without you!

I hope everyone takes time to relax and enjoy getting out during the summer break. Before you know it, we will be back together to begin a typical school year. Please remember, no students will be "behind". We will meet students where they are and adjust where we need. We are all in this together and will keep moving forward!

Wednesday is the official last day of school. On this asynchronous day, please take time with your student to reflect on the school year. While it's fresh, have them think about the positive moments from the year, and what they look forward to beginning in September. Thank you for helping your students wrap up this year!

See you soon,

Margaret
