

Entry Routes	Please enter <i>ONLY</i> via a right turn from eastbound NE 65 th Street.
Drop Off Zone	Please drop off students <i>ONLY</i> in the designated drop off zone.
Exit Route	Please exit via 112 th Ave NE.
No Drop Off Zones	Please do <i>NOT</i> drop off students in any red zone or any parking lot.

The residential area around ICS does not easily handle the large influx of vehicles at the beginning and end of the school day. If we each do our part and follow the suggested entry and exit routes, traffic flows much more smoothly.

Some drivers try to beat traffic by entering directly from 112th Ave, or by dropping a student off outside of the drop off zone. While it may seem like a good idea at the time and save that driver a few seconds, this often snarls traffic for everyone else and causes safety concerns. *Please don't be that person!*

Thank you for doing your part!

Pro-Tips for a Successful Student Drop Off

- **DO** only enter the drop off area by turning right from eastbound NE 65th Street.
- **DO** pull as far forward as possible before dropping off your student.
- **DO** have your student ready – backpack with your student, not in the trunk.
- **DO** thank the volunteers helping with drop off – they're here to help the flow and keep your student safe!
- **DO NOT** try and beat the crowd by entering from southbound 112th Avenue. It causes traffic to snarl and makes everyone that much later.
- **DO NOT** drop your student off anywhere other than the drop off zone. The traffic in parking areas and near public sidewalks make these unsafe places for drop offs.
- **DO NOT** park for an extended amount of time in the drop off zone – everyone behind you is patiently waiting.

Thanks for doing your part!
