<p>Program Description and Location:</p> <p>Next Step Archery- Archery Education Center 22313 70th Ave W U1, Mountlake Terrace, WA 98043</p> <p><i>Have you ever been interested in the world of archery? Ever wanted to shoot a bow?</i></p> <p>Then this Focus Week choice is for you! In this week-long voyage, you will be immersed in the world of archery, and you'll study all about the science of projectiles. Learn the essentials of shooting and get your hands on TWO different bow types, compound and recurve. Not only will you get to shoot for hours every day, you'll learn to build your own bow out of PVC! You'll even learn to fletch arrows. At the end of the week you'll get to participate in a fun game of Archery Tag and a real archery tournament with awards. All while being trained by USA archery certified coaches. This week is a hands on fast paced learning experience that is truly one of a kind! Sign up quickly, this will not take long to fill up!</p> <p><i>Students will rotate in 4 different groups. All with Certified USA archery coaches and Instructors.</i></p> <p><i>Parent Chaperones are very welcome to join! We will need 4 a day!</i></p>
<p>Itinerary:</p> <p>Monday – Friday bus to NCA from ICS at 7:30 and return at 1:45; except Wednesday return at 11:45 for lunch and early dismissal</p>
