<p>Program Description and Location:</p> <p>Sea Mar's Child Development Center (CDC) is a bilingual/bicultural center in Seattle that helps children age 3-5 in building basic and elementary skills. The CDC upholds and celebrates cultural diversity, focusing on a bilingual Spanish/English curriculum. You will be able to discover the process of service learning, immerse yourself in the lives, contexts, and activities of the people you're seeking to better understand, and create empathy with your beneficiaries. During this Focus Week 2019, you and your team will:</p> <ol style="list-style-type: none"> 1. Communicate with the teachers at the CDC to collect and understand their needs and requests. 2. Plan, discuss, prioritize, and execute lesson plans, activities, games, and resources for your class at the CDC. 3. Use your Spanish. 4. Reflect on the goals achieved, what you learned, and how you think differently after your hard work. <p>The ideal student for this Focus Week is curious, sincere, and is willing to communicate with younger children in Spanish, even if this means stepping outside of his/her comfort zone. This Focus Week will help you earn community hours, become a role model, and make a difference in the life of many children.</p> <p style="text-align: center;"><i>“Be the change that you want to see in the world!”</i></p> <p>ICS and Sea Mar’s Child Development Center 1040 S Henderson Street, Seattle, WA 98108</p>
<p>Itinerary:</p> <p>On Monday, we will stay at ICS and finish preparing materials, activities, and tasks for Tuesday through Friday.</p> <p>On Tuesday through Friday, we will meet at the CDC, deliver the curriculum planned, reflect, and finish special projects.</p>
