

PRINCIPAL UPDATE

FIRST WEEK OF SCHOOL

Hello ICS Students and Families:

I hope the first week of school is going well for each of our ICS families! Please continue to ask questions and let me know if you need help with anything. I will continue to send updates as they develop and keep our website updated.

Second Week Schedule change

There has been a slight change to the [schedule](#) for the second week of the school.

Attendance in Remote Learning

We started off very well - with close to 100% attendance on our first day. Keep it up ICS! Attendance will be taken every day, each period. We need students present to create a meaningful learning environment. Please review the [Attendance](#) document for more information.

TEAMS - Student photo upload

Students are asked to upload a profile photo on Teams. At ICS we expect this photo to be a school photo or a similar headshot. The photo should not include friends or family members. We will also ask that there be no silly hats or props. School dress guidelines will apply in the photograph and in class. If you wouldn't wear it to school, please don't wear it to online class! Thank you!

Need Tech Support?

Family [technology access support](#) is available seven days a week starting August 29, 2020 from 7 a.m. to 7 p.m. for student laptop, passwords and other technology questions.
