

PRINCIPAL UPDATE

SCHOOL NEWS

It's great to have students in the building today taking pictures and picking up supplies! Thank you for getting your children here. We will have a make-up day in October if you couldn't make it. Many staff members were in the building (social distancing, of course) to take pictures and work in their classrooms. It feels good to see people and be reminded of normal times.

I would like to give a shout out to ICS teachers and staff. Without exception, teachers and staff are committed to providing an excellent education for your students. I've been impressed with the collective desire among teachers to see this as an opportunity to be creative, refresh and renew in-person strategies, and develop meaningful relationships in novel ways. Thank you PTSA for recognizing this and supporting our staff. These beautiful, personalized baskets were delivered today for everyone! Thank you for supporting our work and partnering with us to make ICS a thriving community!
