SCHOOL NEWS

Hello ICS Families!

Thursday, September 24, we will hold Curriculum Night in a new way. It's important that you meet the teachers, learn a little about them, and know where to find additional information. This year we modified our approach and will provide a virtual Meet the Teachers! Each teacher has created an informational video. At 6:00 pm on Thursday, videos will go live on the ICS website. You can visit the site and get to know your student's teachers. The videos will remain on the website and can be watched any time throughout the year. I hope you enjoy getting to know our teachers and learning more about your student's school day.

Enjoy the sunshine and clear air!
